Summary

I am an Interaction Designer and M.Des candidate at IIITDM Jabalpur with 2.5+ years of experience. Focused on UX research, interaction design, and emerging technologies to turn complex problems into intuitive experiences.

Experience

Jio-BP

May 2026 – July 2026

UX Design Intern

Mumbai, Maharashtra • Onsite

- Conducted user research and stakeholder discussions to identify workflows, pain points, and user needs.
- Designed UX flows for IMS and My Station, translating research insights into clear task flows.
- Built Figma design systems and responsive prototypes, translated into functional HTML/CSS/JS interfaces.

Indian Institute of Information Technology

Aug 2025 – Present

Teaching Assistant (TA)

Jabalpur, Madhya Pradesh • Onsite

- Assisted faculty in undergraduate design classes, studios, evaluations, and academic activities.
- Guided students through design concepts, digital tools, and project assignments.
- Coordinated evaluations, feedback, documentation, and academic workflows.

GKMIT

Sep 2024 – July 2025

Junior UI/UX Designer

Udaipur, Rajasthan • Onsite

- Designed Patternbot and revamped the GKMIT website, improving engagement by 30% and session duration by 25%.
- Architected Nest HRMS and designed the ConnectHEOR analytics dashboard, reducing analysis time by 25%.
- Designed the Prenten.AI mobile app for safety, asset management, and documentation workflows.

SR Homes

Apr 2024 – June 2024

Visual Designer Intern

Ahmedabad, Gujarat • Remote

- Redesigned the SR Homes logo and brand identity for stronger visual consistency.
- Created marketing collateral and social media creatives for print and digital platforms.
- Supported website UI and visual design with clean, brand-aligned layouts.

Visist AI

March 2024 – May 2024

UI/UX Design Intern

Bengaluru, Karnataka • Onsite

- Designed the Visist.ai website, contributing to approximately 30% higher user engagement.
- Led the soft launch of the AI Feedback Report, creating the interface, presentations, and product videos.
- Developed the brand identity and collaborated with developers on a patented report interface.

Unikul Solutions

Jan 2023 – July 2023

Visual Design Intern

Bengaluru, Karnataka • Onsite

- Led brand identity and visual communication initiatives for a consistent brand presence.
- Designed Dubai Expo communication materials, contributing to a Rs.6.90 lakh customer acquisition.
- Created custom illustrations and digital assets that strengthened brand storytelling and engagement.

Star Union Dai-ichi Life Insurance

June 2022 – Aug 2022

Interaction Design Intern

Mumbai, Maharashtra • Onsite

- Designed the Buy Online portal using research-driven UI/UX principles to improve usability and engagement.
- Collaborated with cross-functional teams to improve design workflows and digital experiences.
- Created campaign identity and visual communication for a psychiatric assistance initiative.
